DIAMOND™

the cricketers' best friend

Created by Gunn & Moore cricket design specialists following intensive research – a brand new bat for the 1990's – **Diamond™**

Five star brilliance.

Meticulously selected unbleached blade from the very finest naturally seasoned willow.

Faceted back pushes forward the frontiers of bat design and gives rise to a unique profile with maximum swell for improved playing characteristics and lightest yet 'pick-up'.

Double rubber diamond cushion grip.

Distinctive **Diamond™** livery compliments this pinnacle of the bat maker's art.

MAESTRO®

a virtuoso bat in every respect

From the finest naturally seasoned willow and the world's best bat makers comes **Maestro®**.

Unique contoured edge provides extra thickness at sweet-spot line and controlled graduated taper to shoulder and toe.

Scientifically designed maximum swell flows to stronger toe and weight-reduced flatter shoulder.

Internationally acclaimed Gunn & Moore laminated cane handle with double rubber diamond cushion grip virtually eliminates jarring on mis-timed shots.

The exclusive design elements combine together to produce the classic bowed appearance to the blade.

Superb balance packs power behind every stroke.

Striking yet dignified livery incorporates distinctive coachlines on new contoured edges.

Bat Repairs

To avoid delay

Please send all repairs direct to our Nottingham factory:

**Gunn & Moore Ltd.,
Haslam St., Castle Boulevard,
Nottingham, NG7 1EZ**

To ensure speedy service please label the bat giving full particulars of work required.

Re-handling

We offer two qualities.

1. Treble-spring.
2. Economical single-spring.

Re-blading

A new blade of any grade of bat described in this catalogue can be fitted to any handle regardless of make. The blades of bats sent for re-blading may be sawn off just below the splice to minimise cost of carriage.

General Bat Repairs

Cracks and splits can be repaired by glueing and the addition of wraps. We can also let pieces of willow into the blade or add an inset to the toe.

Let us know if new rubber handle grips are to be fitted. If possible send the bat during the close season. It will enable us to provide you with a speedier service.

All repairs are executed with the same care which goes into the manufacture of new equipment. Our repair services are not restricted to goods of our own manufacture.

Important

Kashmir willow has some different characteristics from English willow. The faces of 'Scoremaster' bats are pressed to give a tough resilient surface, but because Kashmir willow is rather softer than English willow, indentations and some surface cracks will appear in use. Such facial markings should be ignored, however, as they are normal for this type of willow and will not detract from the continuing good performance of the bat.

Cricket Sets

Excellent value,
ideal gift items

Choice of two sets comprising:

- 1 each Scoremaster bat.
- 1 each Cricket ball. 4 each Stumps.
- 1 each Nylon PU coated Carry Bag.

3030 Mike Gatting Clubman

3031 Mike Gatting Clubman Junior 4³/₄OZ.

Gunn & Moore Leather Cricket Balls are all hand made to our exacting specification and under our close personal supervision in overseas factories.

Each model has been rigorously tested under all playing conditions over a long period to ensure complete satisfaction. All balls conform to M.C.C. regulations.

Technical Notes:

All Gunn & Moore leather cricket balls are quartered balls, hand stitched. The centres are all constructed of wool and natural cork layers around a natural cork centre.

Sample balls selected at random from each manufacturing batch are tested in play.

Strict quality control of both materials and construction methods ensure, as far as possible, perfect shape retained during play, true seams and avoidance of 'hard' balls.

Outer Case

Choicest butt leather, alum tanned, pre-treated for wet conditions and abrasive resistance and pre-stitched to avoid distortion in use.

The leather used for the Gunn & Moore range of cricket balls is graded from the top ball downwards, so that the Super County Ball is made from a very limited portion of the finest skins specially selected and superior in every respect and as the grading proceeds, other selected portions of the skin are used.

Even the lowest grade ball is made from a portion of top quality skin.

Inner Core

All inner cores are made from layers of well oiled new wool and worsted yarn and natural cork around a cork centre. The cores are air dried for two to three months before being sewn in the case. The baking of cores to accelerate drying is assiduously avoided, as this destroys resilience making the finished ball hard.

Wool Layers in Core and Stitches in Seam

The number of layers of wool and cork and the number of stitches in the seam vary through the range as follows:

	Wool Layers	Seam Stitches
Super County	6/8	80/85
County Star	5	72/75
Super Star	5	72/75
Clubman	5	68/72

Batting Gloves

5120 Maestro® Mens

As used by Mike Gatting,
England and Middlesex.

Outstanding lightweight leather glove. Cross-linked foam padding provides exceptional protection and comfort. Additional protection to first finger, bottom hand. Pre-shaped fingers. Nylon three-colour gusset. Leather straps at tips of first two fingers, bottom hand. Deep extra comfort elasticated sweat band wrist. 'Velcro' fastening.

5123 Status® Mens

Super lightweight all leather glove. Unique design gives complete flexibility, ultimate comfort and the neatest appearance ever achieved in a batting glove. Deep cross-linked foam protection. Pre-shaped fingers. Leather and three-colour nylon gussets. Leather straps at tips of first two fingers bottom hand. Elasticated sweat band wrist. 'Velcro' fastening.

5131 Pro-Tec™ Club Mens · Youths

Keenly priced lightweight glove. Leather palm, PU covered pre-shaped cross-linked foam fingers and wrist protectors, both hands, net back. 'Velcro' fastening.

5127 Pro-Tec™ Mens

New exciting development. Deep 'twin finger' cross-linked foam protection, pre-shaped for comfort. Great finger flexibility. All leather glove with nylon gussets. Leather straps at tips of all fingers both hands. Elasticated leather wrist. 'Velcro' fastening.

5134 Status® Club Mens · Youths

Super value club version of model 5123. All the essential technical features. Leather palm. Strong cotton net back. All nylon gussets. Elasticated wrist. 'Velcro' fastening.

Maximum protection, greatest possible comfort from new with no 'breaking-in' necessary, and long life are achieved by meticulous attention to design, choice of materials and workmanship.

All batting gloves available left-hand – please specify.

5139 Tim Robinson Club Deluxe · Mens · Youths

Full leather palm. Attractive 'cool comfort' fabric back. Pre-shaped fingers. Wrist protectors. Stylish two-colour knuckles. Deep elasticated sweat band wrist. 'Velcro' fastening.

5142 Pro-Lite™ Mens Youths · Boys

Budget priced lightweight glove. PU covered pre-shaped foam fingers and wrist protectors. Strong cotton fabric with generous leather reinforced palm, thumb and first finger. Nylon three-colour gussets. Elasticated wrist. 'Velcro' fastening.

5156 Mike Gatting Club Deluxe Mens · Youths · Boys

Strong cotton fabric with leather reinforced palm, thumb and first finger. Full length padded leather overlap. Pre-shaped fingers. Twin horizontal rolls, top hand. Single roll, bottom hand. 'Velcro' fastening.

5161 Trent™ Mens

Added features, cotton glove. Strong hardwearing cotton. Leather fingers and wrist protectors. Leather reinforced palm, thumb and first finger. Stylish two-colour knuckles. Elasticated wrist. 'Velcro' fastening.

5171 Skipper™ Youths · Boys

An excellent young cricketers' glove. Good quality cotton fabric. Generous finger rolls and wrist protectors. Leather reinforced thumb and first finger. Elasticated wrist. 'Velcro' fastening.

Leg Guards

5000 Maestro[®] Xtralite Mens · OSM
